WELCOME FROM THE PRESIDENT

It is a true honour to be the 161st president of the Canterbury Show, following in the footsteps of my father (1983) and grandfather (1960).

This year has not been easy from the outset. Our senior General Committee members have put in a huge effort to turn things around from the original decision to cancel the show. We were determined to make it happen.

Due to a very short lead in time and extremely tight budget constraints, the show will look a little different this year. Despite this, most of the usual attractions and competitions are happening.

Our partners in Event Hire have made it possible amongst many other events to have exciting fairground rides, drone racing and electric motorcross. We have worked well together to ensure a successful outcome.

Our sections have had to dig deep this year and have done a great job in getting the show up and running. It has been a big change with having just two days for the stock and horse events being run on Thursday and Friday. The Hazlett City Farmyard is front and centre this year in its new location running all three days with the Axemen Friday and Saturday. The exciting farrier competition is also running again this year.

I would like to acknowledge the hard work our new board has done in securing more funding and their expertise in handling our very tight financial situation.

Our relationship with the Christchurch City Council has been strengthened through their work and we certainly value this relationship.

Our staff have been going the extra mile this year and we really do appreciate all their hard work. I feel there has been a fine job done with everyone pulling together when needed and we are all looking forward to another successful show!

Bryce Murray, CAPA President

PRIZES, PRIZE MONEY, SPONSORSHIPS

Note that by entering into this confirmation we take this as acceptance that you understand that any prize money paid by CAPA to you, may depending on the amount and your individual circumstances, be regarded as income by the Inland Revenue in New Zealand and therefore subject to the payment of income tax. It is your responsibility to take independent advice on this and to make such payment where required. CAPA accepts no responsibility for the payment of any income tax obligations that may or may not arise from the payment of any such prize money to you. In the event of there being no competition (i.e. one exhibit) in any Class, no prize will be given unless the Judge certifies to particular merit.

Judges of Stock, in arriving at their decision, are requested not to give undue weight to high condition, but to award the prizes to the animals in each Class which they consider best represent the particular breed or description intended to be encouraged. The Judges are requested to pass over all animals whose want of condition betokens weakness of constitution, however great their merit may be in other respects.

In each class of Livestock cash prizes are offered, but Judges are requested not to award them if the exhibits are not up to standard.

In all cases where two or three prizes have been awarded the Judges are requested to 'very highly commend' any of the other exhibits worthy of this distinction.

Any dispute arising out of the allotment of the Private Prizes may be settled by the Canterbury A&P Committee at their next meeting after the Show, and their decision shall be final.

All prize money will be paid by direct credit after the Show except Canterbury Youth Show classes. Prize money for these classes will be paid in cash at the Show. Shearing prize money will be paid at the Show.

Class sponsorship monies, subject to confirmation, will be paid IN LIEU of Association prize money, although Breed Society special cash prize monies will be additional. The Association takes no responsibility for sponsorships which do not eventuate.

The Spirit of Showing Award

In memory of Philip Worthington, The Spirit of Showing Award is a newly established trophy to be presented each year to an individual connected with the Cattle Section.

Since 2009 Philip, along with his wife Kay, have introduced Rangiora High School students to showing and agricultural careers by giving them the opportunity of learning to prepare, handle & lead their Lowline cattle with the ultimate aim of showing them at The New Zealand Agricultural Show.

The Number 8 knot on top of the trophy is from a fence Phil installed on his farm many years ago. Philip was an exhibitor, a judge and committee member of The Canterbury A & P Association and loved the camaraderie of showing.

The inaugural Spirit of Showing Award will be presented on Friday November 15 at 2:30pm at this year's show.

PIGS

10th Annual Boar Breeders Association Competition

Judges: Rous McCulloch, Ben Voice, Noel Womersley

Competitions Start from: 10:00 AM.

Location: Sheep Pavillion Thursday

Firstly, congratulations on taking the first step to becoming a pig champion, this year's competition would not be the same without your involvement, so take the time to ensure your pig is looking sharp for the big day.

Also be sure you and your crew are well dressed for the occasion; this year the best dressed competition will have some great prizes for the winners. Below I have outlined how the day will run and few tips to ensure a successful day at Pig Week.

Conditions:

Pigs will be judged on conformation, balance, muscle and finish. Pigs will ideally weigh between 80-100kg. There will be no breed bias, but rather a focus on the finished product. Entrants must have their pig for a minimum of two months prior to the show. Boars can be entered in up to all three classes if applicable.

House keeping

We ask that there is no drinking or smoking around the pens. **All pigs, rubbish and any drinking or feed bowls must be removed that evening unless arrangements have been made with the committee. Canterbury Homekill are providing a service which will see pigs taken away that afternoon by Ellesmere Transport.**

Getting your pig penned up

This can often be a stressful time, so ensure you are well prepared. All pigs coming to the show, will require a Water and Feed bowls along with enough feed for the duration of the stay. Pigs can be brought to the grounds the day before and be penned up. We will have a list of allocated pens. All pigs are required to be washed one hour prior to judging, ready for initial inspection in the pens. Bring buckets, shampoo, and baby oil to ensure your pig can be washed adequately prior to the show. No pigs are to remain at the show grounds after 5.00pm Thursday.

Judging from 10.00am -12.00pm

KIWI CHRISTMAS CAKE COMPETITION

Home baking is a traditional and popular competition run by many A & P Associations around New Zealand. We're encouraging interested home bakers to show off their fabulous baking skills and see their creations on display at The Christchurch Show in 2024

Promotion:

All cakes and their prize ribbons will be displayed at The Christchurch Show

Prize Money: 1st place - \$50.00, 2nd place - \$30.00, 3rd place - \$20.00

Condition of entry:

Cake description - a rich fruit cake 8" x 8" square

Eligibility: Home bakers (no commercial bakers please)

Junior – under 18 years old on the day of the show

Open – 18 years and older

Corporate – representative exhibitor must be 18 years and older

Awards:

First, Second and Third place in each Class

Overall Supreme Christmas Cake

Delivery:

New Zealand Agricultural Show (office hours) - Canterbury Agricultural Park, 102 Curletts Road, Hillmorton, Christchurch 8042

Cake to be presented undecorated in a sealed container by 5.00 pm Friday – 8 November 2024

Rules:

An individual exhibitor may enter both categories (Traditional and Gluten Free)

Corporate – cannot be a commercial bakery/restaurant/food preparer

Exhibitors must not avail themselves of the services of a professional baker in any way.

No cake mixes to be used in the cake.

The Judges' decisions are final, and no correspondence will be entered into.

Judging:

1. Appearance – smooth on the top, bottom and sides. No sign of shiny, dark, overheated fruit protruding from the surface. The cake should be firm, smooth, fresh and moist to the touch. It should have even sides, and a smooth flat top showing an even distribution of fruit.
2. Finish in baking - no bumps, hollows, sunken centres nor large cracks (a small crack is not considered a major fault). The cake should cut cleanly, without any crumbs, and without catching or dragging of fruit. There should be no burning or crusty top or sides (caused by too hot an oven or insufficient papering). After the cake is cut, the fruit closest to the outside should not appear to be dark or shiny (caused by overcooking in

too hot an oven). This fault causes a bitter flavour.

3. Colour – attractive, even, golden brown on the top, bottom and sides.

4. Texture – firm and fine, it should be moist, not soggy nor dry. The texture should be smooth and even, and the same right through the cake. A well ripened cake cuts cleanly and evenly.

5. Flavour & Aroma – delicious - and should be a perfect blend of fresh eggs and dairy ingredients, sugar, essences, flour, spices, spirits or orange juice and quality dried fruit. Beware of an overpowering flavour or aroma of essences or spices or the acrid smell of overheated fruit.

6. Decoration – no decoration allowed.

Display:

Following judging, cakes will be displayed in sealed, transparent display cake boxes in the Kiwi Christmas Cake site - Market Pavilion.

Cake Collection:

Proof of entry must be provided on collection. Cakes can be collected on the last day of the Show (Saturday) from their display site after 4.00 pm. Alternatively return instructions and courier tickets/packaging can be included when the cake is delivered.
