President's Report

It's been an honour and a pleasure to serve the Canterbury A & P Association as President over the last 12 months. My wife CeCe and I have enjoyed meeting and getting to know so many Members and volunteers who are loyal to our organisation.

Our Show entries were on par with other years with entries up in some sections and slightly down in other areas. The livestock entries were a credit to their exhibitors having had a mild Winter and a flourishing Spring therefore the stock arrived at the Show in wonderful condition making for some good competition. Once again we had a number of international judges which always adds a professional touch. I'd like to thank all Judges and Stewards who came from far and wide to volunteer their time and expertise. The Supreme Livestock Exhibit went to the Fisher family with a wonderful Charolais Cow and calf.

Our trade sites were full but this didn't come easy in a difficult and competitive climate. Thanks to the TDM Events staff who worked tirelessly in this area; as they did with sponsorship which was up and makes a huge difference to our bottom line.

New events at the show included the Live Wool Auction, which the wool committee put together in the RDA building. Brokers and exporters got behind this event and it was a tremendous success. The Endurocross motorcycle event was also a great drawcard for spectators; thanks to all involved as it was a major exercise getting this set up. I also need to thank the Canterbury Horticultural Society for assisting in the beautification of the Food and Wine Pavilion and Bayleys Members marquee.

A large number of positive and enthusiastic Members and rural folk attended the Show and it was great to catch up with so many at the Members Muster on the Thursday evening. The event was enhanced early on with ringside excitement watching a young rider, Polly Harper win the Six-Bar Pony Challenge. Little did we know that many Members present were to be caught up in the earthquake that hit North Canterbury and Marlborough the following week, our thoughts are with our Members and others who will be for some time rebuilding their properties and lives after this significant and destructive event. Whilst writing this report fire crews are still dampening down hot spots on the Port Hills, no doubt there will be other Members also affected by this disaster. We are thinking of

you as well and hoping that 2017 as it progresses brings better luck for all concerned.

For a second year in a row Prime Minister John Key attended the show on the Thursday, he spent some time walking about the grounds and attended an MPI function hosted by The Hon Nathan Guy. Other distinguished guests attending the Show were Lianne Dalziel and other CCC Members, our favourite son Richie McCaw, Leader of the Opposition Andrew Little and a number of other MPs from the Canterbury area. We also hosted the Chinese Consulate General and his entourage, the Swiss Ambassador to New Zealand along with a delegation of Welsh students among other international guests too.

Many thanks to the Board who make professional decisions which affect our viability and long-term future.

Geoff Bone, his wife Carol the TDM Events staff who manage and run our organisation are to be commended for their ongoing and tireless work and commitment to the Association, you all have to deal with so many aspects to make this event run so smoothly, I sincerely thank you all. I have enjoyed getting to know you all and to work alongside you this past year. Dugald and Nigel, your work is never done and you deal with endless problems which you iron out with a cheerful and professional manner. To the Committee, thank you for your support over the year, after working in the Cattle Committee during my time on the Committee it was refreshing to be involved in other sections of the show. Thank you all for your support and a special thank you to all heads of sections who assisted in directing me to their areas during the event, it ensured that I got to every area when and where possible which was my main intention when I set out as your President, this relationship I feel is extremely important.

My sincere thanks and gratitude to the Past Presidents, many of whom are still directly involved, your knowledge and wisdom was very much appreciated over the year.

To the Members, thank you for your ongoing support and loyalty.

In closing I wish the incoming President Peter Gilbert, Vice President Tim Black and their committee all the very best for the 2017 Canterbury A & P Show.

Warrick James, President

Chairman's Report

Dear Members

Health and Safety laws changed last year. Safety is now central to the Association's culture. We continue to learn and implement systems and processes to do all we reasonably can to ensure the safety of everyone at our Show and within the land controlled by us. This focus flows from the Chairman, and President, our Board, the Committees, our staff, our contractors and all Show section heads. We had one minor (non-injury, but potential for injury) incident involving the Grand Parade. We have altered the way we parade our stock to ensure that we improve the safety environment. We are committed to leading in Health and Safety culture and awareness for events such as our Show.

We finished the year with another disappointing trading result due to reduced gate revenue caused by another year of poor weather. Our financial performance is strongly correlated to the weather conditions. We invested significant time and energy in our pre-sale plan with some enterprising initiatives, including a partnership with Farmlands to discount early ticket sales (which will be repeated this year). Despite this work, we struggled to ameliorate against the negative weather effects. Adverse weather is an ongoing key risk for the Association.

The smaller population of visitors however meant that it was very pleasant and easy to move around the showgrounds, even on Show Friday.

I acknowledge the extraordinary work of the Committee and volunteers. My particular thanks go to President, Warrick and wife Cece for their outstanding leadership. It was a particularly happy Show. Under Warrick's presidency, everything flowed seamlessly and there was significant innovation, particularly around the Wool and cattle section.

This year also marks the retirement of Colin Notley from the Board. Colin's contribution covers many years. Colin was appointed when the Association was at its lowest point; indeed, for a period it was technically insolvent. He then had a short break before rejoining the Board. His service covers approximately 16 years of sage advice, wisdom and guidance. His retirement will leave a significant gap. I particularly credit Colin for endlessly challenging what we do and how we do it; keeping us focussed on what we are

empowered to do. I extend my sincere thanks on behalf of the Association and members for his enormous contribution.

I retire from the role of Chairman this year. I welcome Stewart Mitchell who will succeed me. We seconded Stewart to the Board late last year in readiness for my retirement. Stewart has already rolled his sleeves up and made a solid contribution to the Board and I am expecting that he will serve the Association very well. I will remain on the board for a short period to assist in the transition and to pass on my knowledge of a number of key strategic initiatives that we have been developing.

As I have said in the past, we must innovate every year if the A&P is to flourish and grow. The next two years will be a period in which the Show will dramatically develop to bring cutting-edge science and innovation exhibitions to Canterbury; well beyond anything that has ever been on display in the past. The Show will become a "must attend" event for any thinking, innovative agribusiness leader (including farmers) in New Zealand and Australasia. We have exciting plans in play, which I expect will unfold over the next few years.

I thank and acknowledge our supporters, volunteers, sponsors and stakeholders. I, acknowledge with thanks, the continuing support of the Christchurch City Council and our Mayor Lianne Dalziel. We look forward to providing great value to the City and the Canterbury economy in future.

We were honoured to host the Prime Minister, the Leader of the Opposition, and many Members of Parliament at the Show again this year.

I thank the Board for their significant contribution, guidance and wisdom.

I give thanks to our staff, led by Dugald Thomas and Nigel Allen, and to the staff at TDM Events. Without their combined professionalism, dedication and hard work the Show could not be as good as it is.

Ben Tothill, Chairman.

Event Directors' Report

The 2016 Canterbury A&P Show succeeded in developing its diverse rural experience by adding a live wool auction, growing its fledgling endurocross motorcycle event and investing in its archived history. However it suffered financially from bad weather forecasts and rain on Show day. Whilst we have delivered a small operating loss of \$21,944 on turnover of \$2,381,444 we have succeeded in insulating the Canterbury A&P Show from heavy losses when it rains on the Friday as it did in 2016. A new ticketing strategy that focused on marketing online pre-sales helped offset some of this risk. The strategy resulted in double the usual amount of tickets sold before the Show began on Wednesday. We will continue to develop this strategy in 2017.

I would like to thank the volunteers, committees and management staff for their contribution to achieving an outstanding Show experience in 2016. Our shared vision to improve the event experience for visitors, members and exhibitors will take another step forward in 2017 as we work towards introducing new science and innovation elements to the Show to cement our place as one of the premier agricultural events in Australasia.

In 2016 we invested money in:

- The woodchopping section in the form of financial support and painting their shed
- Preserving the Association's history through an archiving programme allowing us the opportunity to develop a museum in the future
- Adding resources to horse stabling to continue to improve the experience for our competitors
- Overhauling the Food & Wine Village to create a better event experience for visitors
- Introducing a live wool auction with the support of Dave Burrige (PGG Wrightsons) and building the infrastructure required by the wool industry
- Adding extra parking staff to manage traffic at Curletts Road gates and improving directional signage further out from the Showgrounds

- Building a new attraction for the Endurocross in the form of a near-vertical wood wall to test riders skills and wow the public
- Delivering our new Official Guide to 45,000 homes throughout Canterbury prior to the Show

Our objectives for 2017 are to continue improving the experience of visitors, exhibitors and Members whilst rebalancing our budget away from a reliance on ticket revenue and towards increased sponsorship and trade revenue. We are working on a programme to reduce expenditure by \$40,000 across multiple cost centres and increase income from sponsorship, trade and tickets. We have signed new long-term sponsorship contracts with ASB, Vero, Fonterra, Ballantynes and Bayleys.

I would like to acknowledge the tremendous support of our sponsors across the Show from the donation of ribbons, the decades of support from local businesses like Ballantynes and our strategic partners the Christchurch City Council, Air Rescue Trust, ASB, Vero, Fonterra and Rata Foundation.

It was a wonderful privilege working with these organisations and working alongside our President Warrick James who won over the Association with his generosity and the time he dedicated to making his presidency a huge success.

Finally, I would like to offer best wishes for our incoming President Peter Gilbert, I know my team and I are looking forward to working with Peter on delivering another successful show.

Geoff Bone, Event Director

Notes to the Financial Statements

For the Year Ended 31 December 2016

Note 1 - Statement of Accounting Policies

Reporting Entity

The Canterbury Agricultural & Pastoral Association is a Society governed by the Agricultural & Pastoral Societies Act 1908.

Canterbury Agricultural & Pastoral Association is registered as a Charitable Entity under the Charities Act 2005. Registration Number CC39172.

Note 2 - Statement of Compliance and Basis of Preparation

The financial statement have been prepared in accordance with generally accepted accounting practice in New Zealand. They comply with the PBE Accounting Standards as appropriate for Tier two not-for-profit benefit entities. As a registered charity, The Canterbury Agricultural and Pastoral Society is required to prepare financial statements in accordance with NZ GAAP as specified in standard XRB A1. The Association is a Tier Two reporting entity as it has expenditure less than \$30m and greater than \$2m.

These financial statements are the first financial statements presented in accordance with Tier 2 PBE Accounting Standards-Reduced Disclosure Regime ("RDR") and PBE FRS 47 First-time Adoption of PBE Standards by Entities Other Than Those Previously Applying NZ IFRSs has been applied. An explanation of the significant differences in accounting policies between the 31 December 2015 financial statements and the 31 December 2016 financial statements is provided in Note 3.

Measurement Base

The financial statements have been prepared on the basis of historical cost except for the following material items in the statement of financial position:

- Buildings are stated at valuation
- Livestock is measured at market value

Going Concern

The financial statements have been prepared on a going concern basis.

Note 3 - Specific Accounting Policies

The accounting policies set out below have been applied in preparing the financial statements for the year ended 31 December 2016 and in the preparation of an opening PBE Standards statement of financial position at 1 January 2016 (the society's date of transition). Note 3 details the significant differences in accounting policies applied between these financial statements and the previous year's financial statements which are attached. No comparatives are presented in these financial statements, as permitted by PBE FRS 47 RDR 27.2.

a) Depreciation

Depreciation has been charged on the basis of cost or valuation, at rates based on the expected economic life of the asset.

The following rates have been used:

Buildings	2 - 8% S L
Furniture & Fittings	8 - 15% DV
Office Equipment	10 - 67% DV
Plant & Machinery	2 - 67% DV
Motor Vehicles	10 - 30% DV

b) Valuation of Property, Plant & Equipment

Land and buildings (not including the Saleyards buildings), are included at valuation, due to the specialised nature of buildings. Other assets are stated at cost less depreciation to date. Property, plant & equipment are written down immediately if an impairment in the value of the asset causes the recoverable amount to fall below carrying amount

c) Trade Debtors

Debtors are valued at net realisable value after due allowance for doubtful debts.

d) Leases

Payments made under operating leases are recognised in the Statement of Financial Performance on a basis representative of the pattern of benefits expected to be derived from the leased assets.

1. Key terms of the Saleyards' lease are:

- Through to the year 2017, the rental for the premises shall be an amount equal to the principal and interest payments on the loans from the BNZ bank, such that those loans will be extinguished in 2017. Rental payments from the tenants cease thereafter.
- Certain expenses designated as property expenses are the responsibility of the Association through to the year 2017, up to a limit of \$40,000 plus GST per annum. Any amounts over this are reimbursed by Canterbury Sale Yards (1996) Limited.
- Beyond 2017 and for so long as Canterbury Sale Yards (1996) Limited has renewed its lease, rentals shall be zero. Canterbury Sale Yards (1996) Limited assumes responsibility for all outgoings including repairs and maintenance, property expenses, etc., subject only to an apportionment based on the availability of the premises to the Association.
- Canterbury Sale Yards (1996) Limited has the right to claim nine rights of renewal, each for 20 years – potentially a further 180 years.
- In the event that the lease is not renewed, all ownership and occupancy benefits and costs revert to the Association.

2. The Saleyards lease meets the definition of a "Finance Lease" under Accounting Standards. The Standard requires that the economic substance of the transaction be reported in the accounts, rather than emphasising the legal ownership.

An asset equal to the present value of the future minimum lease payments receivable is recognised for land and buildings leased to third parties by way of finance lease. Each lease payment received is apportioned between finance income and the

reduction of the outstanding asset. The interest income component of finance lease payments received is recognised in the statement of financial performance using the effective interest rate method. In practice this means that payments received under finance leases are recognised in the statement of financial performance such that the value of the income recognised is equivalent to the value of the variable interest repayments made on loans from the BNZ Bank. These loans are effectively to be repaid by the Canterbury Sale Yards (1996) Limited in the form of future rentals.

The Association's gross investment in finance leases and the amount of unearned finance income has not been disclosed, as it cannot be calculated owing to the variable nature of the interest repayments on loans from the BNZ Bank, on which the lease payments are calculated.

The unguaranteed residual value of the leased assets cannot be calculated because the potential length of the lease including all available renewal terms cannot be ascertained.

e) Valuation of Livestock

Livestock has been valued using market value.

f) Changes in Accounting Policies

Livestock is now valued at market value instead of cost.

g) Income Taxation

The entity is exempt from income taxation.

h) Revenue from exchange and non-exchange transactions

Revenue from exchange transactions

Service

Revenue from services rendered is recognised in the statement of financial performance when the service is provided.

Sales of goods

Revenue is recognised when the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably. Revenue is measured net of returns, trade discounts.

Interest income

Interest income is earned for the use of cash and cash equivalents or any amounts due to the society. Interest income is recognised in the statement of financial performance as it is earned. Interest income is accrued using the effective interest rate method.

The effective interest rate exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount. The method applies this rate to the principal outstanding to determine interest revenue each period.

Revenue from non-exchange transactions

Non-exchange revenue

Non-exchange transactions are those where the society receives value from another entity (e.g. cash or other assets) without giving approximately equal value in exchange.

Inflows of resources from non-exchange transactions, other than services in-kind, that meet the definition of an asset are recognised as an asset only when:

- It is probable that the society will receive an inflow of economic benefits or service potential; and
- The fair value of can be measured reliably.

Inflows of resources from non-exchange transactions that are recognised as assets are recognised as non-exchange revenue, to the extent that a liability is not recognised in respect to the same inflow.

Liabilities are recognised in relation to inflows of resources from non-exchange transactions when there is a resulting present obligation as a result of the non-exchange transactions, where both:

- It is probable that an outflow of resources embodying future economic benefit or service potential will be required to settle the obligation, and
- The amount of the obligation can be estimated reliably.

The following are the specific recognition criteria in relation to the society's non-exchange transactions.

Grants and donations

Payments received under grants are recognised in the Statement of Financial Performance upon fulfilment of terms and conditions attached to each individual grant.

Donated Services

The society sometimes receives the donated services from volunteers. The society has elected not to recognise these services as they are difficult to measure reliability.

i) Related parties

The Society regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the society, or vice versa. Members of key management are regarded as related parties and comprise the directors of the society.

Note 4 - Lease Commitments

The Association has operating lease commitments, payable as follows:

	2016 \$	2015 \$
Not later than one year	8,640	14,293
Later than one year but not later than two years	8,640	-
Later than two years but not later than five years	22,982	-
	40,262	14,293

The Association has operating lease commitments for a Ricoh photocopier and a Holden Colorado motor vehicle. The Ricoh lease expires while the motor vehicle lease expired on 31 December 2016. The vehicle has been subsequently purchased from the dealer at market value. In 2016 The Association entered into a 5 year fixed lease with Ricoh for \$43,200.

In 2001 the Christchurch City Council acquired the Canterbury Agricultural Park land. The Association has entered into a license for 100 years from 1 April 2001 with the Christchurch City Council to occupy 90.14 hectares of that land for one month in each year. The Association has also entered into a lease for 20 years from 1 July 2001 with the Christchurch City Council with respect to 2.03 hectares of that land. The rental cost of the land is based on the actual costs incurred for that year.

NOTE 5 - Property, Plant & Equipment

	Cost/Valuation 2015 \$	2015 Additions	2015 Disposals	2015 Depreciation Expense	Accumulated Depreciation	Book Value 2015 \$

NOTE 8 – Related Party Disclosure

Tenth Dot Management Limited has been contracted to administer the operations of the Canterbury Agricultural & Pastoral Association.

The Events Director is a Director in Tenth dot Management Ltd.

Disbursements paid to Tenth Dot Management during the year were \$21,782.

Management Fee paid to Tenth Dot Management during the year was \$ 628,884.

Administration expenditure includes Directors' fees of \$46,800 (2015 \$40,800).

Apart from this disclosure, there have been no other material related party transactions

NOTE 9 – Volunteers

The Canterbury Agricultural & Pastoral Association relies heavily on the valuable voluntary contribution of its Committee personnel, judges, stewards and members who give their time, skills and commitment to produce the benchmark of livestock and competition classes within the A&P movement nationally. Just over 500 volunteers contribute 22,000 voluntary hours to the Canterbury Agricultural & Pastoral Association and the Canterbury Agricultural & Pastoral Show throughout the year.

NOTE 10 – Sponsorship

Significant sponsors to the A&P Association during the year were the following: The Christchurch City Council, Vero Insurance NZ Ltd, The Rata Foundation, Air Rescue Trust, ASB Bank Ltd, Fonterra Brands (Tip Top) Ltd and J Ballantyne & Co, Merial Ancare

NOTE 11 – Youth Development Reserve

The Youth Development Reserve within equity represents the balance of public donations and bequests, whereby at the request of the donor the principal donation must be retained for Youth Development purposes within the Association and principal and income earned on the fund may only be applied for Youth Development purposes. These funds have therefore been separated from the general retained earnings of the Association.

	2016 \$	2015 \$
Balance 1 January 2016:	10,424	6,514
Specific Donations & Bequests Income Received:	4,045	4,100

Interest & Fair Value Gains Earned	400	160
Balance 31 December 2015 (From Retained Earnings):	14,434	10,424

All income and expenditure in relation to the Youth Development Fund is first recognised in the reported surplus or deficit for the year taken to retained earnings. The net balance of Youth Development Fund activities for the year is then transferred to the Youth Development Fund reserve within the Statement of Movements in Members Equity.

Note 13 – Non-Operating Activities

During the 2015 financial year, insurance proceeds of \$478,261 (Exclusive of GST) were received from Vero in relation to damage incurred to the Sale yards during the 2011 earthquakes. The Canterbury Agricultural & Pastoral Association will use these funds within a reasonable time in restoring the building to the required building code and compliance. The Canterbury Agricultural & Pastoral Association is not liable to expend any sum of money greater than the amount of the insurance money received.

During the 2016 year, \$28,675 was spent on earthquake repairs.

Note 14 - Transition to PBE Standards

The Minister of Commerce has approved a new Accounting Standards Framework developed by the External Reporting Board (XRB). Under this Accounting Standards Framework, The Canterbury Agricultural & Pastoral Association is classified as a public benefit entity and it is expected that it will be required to apply the new PBE Standards as applicable for private not-for-profit entities. The effective date for the new standards for private not-for-profit entities is expected to be for reporting periods on or after 1 April 2015. Therefore The Canterbury Agricultural & Pastoral Association has transitioned to the new standards in preparing the 31 December 2016 financial statements.

As stated in Note 2 these are the Society's first financial statements prepared in accordance with PBE Standards.

The Society previously prepared financial statements under generally accepted accounting practice in New Zealand (NZ GAAP), as set out in accounting policies of the 31 December 2015 financial statements.

The accounting policies set out in Note 3 have been applied in preparing the financial statements for the year ended 31 December 2016 and in the preparation of an opening PBE Standards statement of financial position at 1 January 2016.

There has been no measurement differences in revenue for the prior year however this has been reclassified as exchange and non-exchange revenue.

Under the new PBE standards, the 2015 comparatives have been adjusted to reflect non-exchange revenue and livestock at market value. The resulting impact to the 2015 year is an increase in surplus of \$10,276.

Independent Auditor's Report

To the members of Canterbury Agricultural & Pastoral Association:
Report on the financial statements

Opinion

In our opinion, the accompanying financial statements of Canterbury Agricultural & Pastoral Association (the Association) on pages 2 to 14:

1. Present fairly in all material respects the Association's financial position as at 31 December 2016 and its financial performance and cash flows for the year ended on that date; and
2. Comply with Public Benefit Entity Standards (Not-For-Profit).

We have audited the accompanying financial statements which comprise:

- The statement of financial position as at 31 December 2016;
- The statement of movements in members funds and statement of cash flows for the year then ended; and
- Notes, including a summary of significant policies and other explanatory information.

Basis for opinion

We conducted our Audit in accordance with International Standards on Auditing (New Zealand) (ISA's (NZ)). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Association in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Our responsibilities under ISA (NZ) are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report.

Our firm has also provided other services to the Association in relation to agreed upon procedures of payment process review services. Subject to certain restrictions, partners and employees of our firm may also deal with the Association on normal terms within the ordinary course of trading activities of the business of the Association. These matters have not impaired our independence as auditor of the Association. The firm has no other relationship with, or interest in, the Association.

Use of this Audit Report

This report is made solely to the members as a body. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in the Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body for our audit work, this report, or any of the opinions we have formed.

Responsibilities of Trustees for the financial statements

The Trustees, on behalf of the Association, are responsible for:

- the preparation and fair presentation of the financial statements in accordance with generally accepted accounting practice in New Zealand (being Public Benefit Entity Standards (Not-For-Profit));
- implementing necessary internal control to enable the preparation of a set of financial statements that is fairly presented and free from material misstatement, whether due to fraud or error; and
- assessing the ability to continue as a going concern. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the financial statements

Our objective is:

- to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (New Zealand) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the Audit of these financial statements is located at the External Reporting Board (XRB) website at: https://www.xrb.govt.nz/Site/Auditing_Assurance_Standards/Current_Standards/Page8.aspx. This description forms part of our Auditor's Report.

Nominations and Resignations

OFFICERS OF THE ASSOCIATION

Nominations

The following nominations have been received for Officers of the Association for the ensuing year:

President: Peter Gilbert

Senior Vice-President: Tim Black

Junior Vice-President: Chris Herbert

GENERAL COMMITTEE

Resignations

None

Nominations

One vacancy exists for the 23 seats on the General Committee. This is due to Chris Herbert moving to Junior Vice-President. A nomination has been received for:

Gavin McGiffert

Gavin was raised on a dairy farm in Sefton before working in the building industry. He sub-contracts to an expanding piggery, working on maintenance and building, on top of running his cattle and pig farm in Sefton. Gavin has been a member of the Canterbury A&P Association since 1980 and has volunteered in the Pig Section and as a cattle steward over the years. He is a senior New Zealand pig judge and has served as a councillor and President with the New Zealand Pig Breeders Association.

Nominated Chris Herbert / Seconded Warrick James

BOARD OF DIRECTORS

Resignations

Colin Notley retires by rotation and does not offer himself for re-election.

Nick Walls retires by rotation and offers himself for re-election.

Ben Tothill retires as Chairman and will serve on the board in an advisory capacity until mid-year 2017.

Nominations

One nomination has been received for the role of Chairman:

Stewart Mitchell

Qualifying as an Accountant, Stewart has spent 30 years in Senior Executive and Consulting roles, both in the private and public sectors emphasising on Human Resource and Strategic Consulting. Stewart is a current Board Member of the New Zealand Rugby Football union (Chairing their Strategy Committee) and founding Director of Mitchell Notley & Associates Limited. Having served as a board member for various sports clubs including a role as the former Chair of the Canterbury Rugby Football Union Stewart brings to the Canterbury A&P Association a new governance skill set, that will lead strategic development, honour the work of the those who volunteer their time and hold to account those contracted to deliver results for the Association.

Nominated Ben Tothill / Seconded Warrick James

^R Royal Show ^A 150 Anniversary

Awards and Feature Competitions

DAKINS AMBASSADOR OF THE YEAR

The 2016 Dakins Ambassador of the Year was awarded to George and Glenda Climo.

George began stewarding at the Canterbury A&P Show in 1984 with his wife and they haven't stopped since. Either George, his wife or daughter has been involved in the Calf Classes up until 2013 and the family has been donating cups and ribbons since 1998.

George shows Murray Grey Cattle every year at the Show and is a very active member of the cattle committee. George has also donated cattle to be auctioned for the Canterbury A&P Association's Youth Fund. He's also been heavily involved in encouraging youth participation. George has been working with the Australian and New Zealand Murray Grey Societies over the past year to offer a youth prize of a trip to Australia.

George and his family have also supported many other country shows over the years and he is also a member of Ellesmere, Oxford and Rangiora A&P Associations.

HEARTLAND

HEARTLAND BANK YOUNG AUCTIONEERS COMPETITION

Peter Walsh & Associates auctioneer, Madison Taylor took out the top spot in the Heartland Bank Young Auctioneers Competition at the Canterbury A&P Show.

The competition, now in its fifth year, attracted five entries from around the country, and Madison was crowned as the top Young Auctioneer after entering for the third time.

After placing second in the competition in 2015 - the 22 year-old from Kurow was able to take out the win in 2016.

After growing up on a lifestyle block in Rakaia, Madison always had an interest in the agricultural industry and began working as a trainee for Peter Walsh & Associates at the age of 17.

Outside of work and auctioneering, Madison has also represented New Zealand in rodeo, competing at the Sydney Royal Show in bareback riding.

As part of his prize package Maddison will attend the 2017 Sydney Royal Show, where he'll take part in the Australian Young Auctioneers Competition thanks to Heartland Bank. Maddison will also auction the Queen of Hearts at the 2017 Beef Expo in Feilding. As the 2016 Champion he also took home the Denis Hazlett Memorial Medal and NZSSAA Perpetual Trophy.

SHOW LEGEND

The 2016 Show Legend was awarded to Peter and Jo Binnie.

Peter and Jo have been the backbone of the dog trial section for many years.

Apart from when he's running his own dogs, it's not unusual for Peter to slip sheep all day for the full three days and he's always on hand to take sheep back to their paddock at night after the car park has emptied out of cars. Peter and Jo have been known to be out in the car park at night, just on dark in the rain fixing fences and gates and making sure the sheep stay where they're supposed to.

Peter is a very popular steward in the dog trials and is a big part of the banter that goes on between the stewards and other volunteers and exhibitors. Jo regularly time-keeps for the judges and her cooking is also very much appreciated at morning and afternoon teas.

MINT LAMB COMPETITION

Semi-retirees from Gore, Peter and Corina Morris took out the Mint Lamb Competition at the Canterbury A&P Show with a Charollais/Texel lamb after yield, tender and taste test results were combined.

It was the second time the Morris's had entered the Mint Lamb Competition. At 14.1kgs, their entry was the smallest in the competition, but yielded very well at 62%.

Mr and Mrs Morris' lamb was judged the best out of a field of 71 entries and was awarded the Alliance Group Mint Lamb Competition Trophy, \$10000, 2.5 litre Zolvix and Elanco Optiline Backpack and Drench Gun Applicator.

NEW ZEALAND AROMATIC WINE COMPETITION

The 2016 Hunters Gewürztraminer beat 325 other entries to take the top spot in this year's New Zealand Aromatic Wine Competition. Terry Copeland, Chairman of Judges, said that the wine was the most complete wine across the table. "It was aromatic with great structure and texture. The wine was incredibly drinkable and very affordable on the shelf - definitely great value for money.

Other trophy winners were: Champion Riesling – TOHU Single Vineyard Riesling 2015, Champion Canterbury Wine – Waipara River Estate Riesling SVR 2012, Champion Sauvignon Blanc – Villa Maria Reserve Wairau Valley Sauvignon Blanc 2016, Champion Pinot Gris – Baby Doll Pinot Gris 2016, Champion Gewürztraminer – 2016 Hunters Gewürztraminer, Champion Rosé – Matawhero Pinot Rosé 2016 and Champion Other Aromatic – Saint Clair Marlborough Premium Gruner Vetliner 2015. All trophy winners competed for the title of Supreme Champion Wine in Show.

Twenty-seven gold, 73 silver and 123 bronze medals were awarded. Full results are available at www.aromaticwine.co.nz.

NEW ZEALAND WINEMAKER OF THE YEAR

A former New Zealand Young Winemaker of the Year took out the title of New Zealand Winemaker of the Year. A panel of four international judges picked Patrick Newton of Mudbrick Vineyard as the inaugural winner as part of the NZ Aromatic Wine Competition.

Thirty-four year old Mr Newton entered the competition with the 2015 Mudbrick Reserve Chardonnay, 2013 Mudbrick Reserve Syrah and the 2013 Mudbrick Velvet a Cabernet Sauvignon/Merlot/Malbec blend.

Mr Newton took over as winemaker at Mudbrick Winery in 2011 after completing a Bachelor of Viticulture and oenology at Lincoln University and spending six years honing his craft in both New Zealand and overseas.
