C.1: All cattle entered in Purebred Classes must be entered in the recognised Herd Books of the respective breeds, or if under one year of age they must be eligible for entry. The names of all Purebred Cattle must be stated in the entry form. This rule will be rigidly adhered to.

C.2: All cattle must be tattooed or marked in accordance with their respective Breed Society Rules otherwise they will be disqualified.

C.3: The registered number of the exhibited animal entered in the Purebred Classes must be given at time of entry, but registered numbers of Sire and Dam are not required. Breeding details will not be printed in the catalogue; however details are required for the entry form for verification of eligibility.

In the case of young cattle where the registered number of the animal is not available, the date of birth and the name of sire and dam must be given.

C.4: Exhibitors must state the breeder's name.

C.5: The owner of the dam of an animal at the date of mating shall be considered the breeder. C.6: All Cattle must be on the ground and stalled by 8pm the day prior to judging. All cattle are required to remain on the ground until the last day of the Show approximately 3.30pm - unless otherwise given permission by Convenor. No vehicles are to be driven within the Showgrounds prior to 5.30pm on any day of the Show.

C.7: Cattle arriving late will be liable to disqualification.

C.8: The same animal cannot be entered in two Classes unless the contrary is specified. C.9: Exhibits competing in the family and group classes must be entered in other classes.

C.10: The age of all Cattle, including calves at foot, is determined from 1st June each year with the exception of children's calf classes.

C.11: All exhibits must be shown up to their respective ages, and no two-year-old animal may be shown as a three-year-old, and no yearling may be shown in a two or three-year-old class. This applies to all sections.

REPLACEMENTS

C.12: Notwithstanding Rule 15 of the General Conditions and Regulations of the Canterbury A&P Association, when an animal has been duly entered and catalogued in any class but cannot be paraded, it may be replaced provided notification is given to the Cattle Supervisor and providing it is the property of the Exhibitor concerned as stated in Rule 2 of the General Conditions. The replacement must meet entry criteria for TB and been tested clear. Breeding data is to be displayed on the stall.

IDENTIFICATION

C.13: T.B. Testing. All cattle entered for showing must be from a current TB Clear Status Herd. A copy of the current TB test certificate must be included with your entry forms. The Canterbury A&P Association must be notified at the time of entry of any testing to be carried out after the closing date of entries or of any potential TB issues that may arise after entries have been submitted.

Owners entering cattle must sign the declaration printed on the entry form. There are now two documents required under Animal Health Board and Canterbury A&P Committee regulations - TB Test Certificate: For cattle from a Declared Movement Controlled Areas - All Cattle aged 3 months or older are to be TB tested, and have a clear test within 60 days prior to being moved to the Show. All other cattle must be from a herd that is up to date with its current routine TB testing requirements. TB Animal Status Declaration Cards: This is a legal requirement for all cattle being moved. All cattle entered for this Show must be accompanied in transit by a signed and dated TB Animal Status Declaration Card showing a TB Clear status in accordance with present legislation. Animal individual numbers must be included on the TB test sheet. These cards will be inspected at the unloading area. A NAIT approved RFID tag will be mandatory for all movements of cattle, including day old calves. NAIT approved RFID cattle tags are white only. Please do not remove tags if cattle are identified with Animal Health Board or MINDA tags. All animals being exhibited at the Show including any participating in a hoof and hook carcass competition comes under the standard identification and ASD regulations. These cattle will require the NAIT approved RFID tag. It is the livestock exhibitors responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the Show and then within 48 hours of returning to the farm/property from the Show.

Canterbury A&P Association - NAIT National Number: 454698.

Where live cattle or deer form part of a trade display the exhibitor is responsible for: i. ensuring all stock have completed all TB testing requirements as per Animal Health Board testing regulations, ii. ensuring all stock are identified in accordance with current legal requirements.

INSPECTION

C.14: The Canterbury A&P Committee reserves the right to inspect at random any cattle for tattoos or identification to establish TB Status, or to detect any malpractice of presentation in Dairy Cattle (see Condition C.37)

JUDGING

C.15: Exhibits being presented in the ring for judging without the allocated NECK NUMBER, will be disqualified from the class.

C.15A: If an exhibitor has more than two animals they must have an appropriate number of handlers so they are not holding up proceedings.

PRESENTATION OF EXHIBITS/EXHIBITORS DURING JUDGING AND PARADES

No distinguishing mark of ownership or stud name, with the exception of 'earmarks, tattoos, ear tags' and registered brands may be attached to the animal exhibited. Exhibitors are requested to see that all leaders of cattle in judging rings and parades are to wear Breed Uniform or white coats - no exceptions. White coats are available for use from the Cattle Office.

AWARD OF CHAMPIONSHIPS

C.16: Champion and Reserve Champion will be selected as follows: First Prize winners in all eligible Classes to be paraded before the judge. Immediately after the Champion has been selected the second prize animal in the Class from which the Champion has been selected may be asked into the ring for judging of Reserve Champion.

DAIRY CATTLE

PLEASE NOTE: TB Regulations under General Cattle Conditions.

The RAS rules, regulations and agreements for showing dairy cattle apply. A full set of these rules can be obtained from the Convenor of the Section or the Show Secretary on request. It is taken that on entering cattle at this Show you have read and are aware of these rules/agreements and will abide by them.

C.28: No cow will be allowed in the judging ring which, in the opinion of the Supervisor, is unduly overstocked with milk.

C.29: In all Cattle Classes, should the exhibitor wish, the official milk record of dam will be recorded.

C.30: All Dairy Bulls, twelve months and over must be rung and have TWO LEADERS and be under adequate supervision.

C.31: Production Qualifications:

- a) All cows, three years of age and over, must have been tested and have production records above the recognised standards for the various systems of testing.
- b) All bulls must be from tested dams with production records above standard.
- c) No records are necessary for maiden three year olds.

C.32: Production Standards:

The standard of production required is the following minimum standard: Age at starting test Standard 305

day test

2 year olds 265 kg milk solids

3 year olds 295 kg

4 year olds 330 kg

Mature 360 kg

NOTE: It is not necessary for a cow to qualify in the season previous to the Show (unless specifically stated).

C.33: Judges in the All Breeds Dairy section shall judge all classes even if their breed is not represented in all classes.

C.34: The following practices are banned from the Dairy Cattle Section at all A&P Shows:

1. The administration of any drug to enhance the appearance of the animal.
2. The infusion of any substance to the mammary system to alter the outward appearance of the udder or milk veins.
3. The gluing, sealing or taping of teats or the use of artificial practices to affect the teat angle or teat placement.
4. Canterbury A&P Association reserve that right to conduct random milk or blood testing. These practices, in any form, will be considered an act of malpractice at A&P Shows with disqualification likely to result.

BEEF INTERBREEDS

Breeds may have only one entry in each class. To be eligible for the MEAT & WOOL CUP nominations will be the Supreme Winner of each Breed. The winners of the Champion Junior from each breed will be eligible for the JUNIOR MEAT & WOOL CUP. If Junior Champion is Supreme, it remains eligible for Junior Champion Cup as well as the Meat & Wool Cup. Judging criteria: Each judge will be issued with a card on which he will enter his first 4 placings. At the conclusion of the judging, these cards will be handed to the Senior Steward who will award 6 points for 1st, 4 points for 2nd, 2 points for 3rd, and 1 point for 4th on each card. The animal then gaining the most points will be the winner.

Should there be a tie, the animal with the most firsts shall win. The stewards shall then line the animals up in the order in which each judge has judged them and the judge's name shall be announced. Finally the animals shall be lined up in order of placing in accordance with the number of points gained.

ENTRY FEES: \$20.00 members, \$30.00 non-members

PLEASE NOTE: TB Regulations under General Cattle Conditions.

The RAS rules, regulations and agreements for showing dairy cattle apply. A full set of these rules can be obtained from the Convenor of the Section or the Show Secretary on request. It is taken that on entering cattle at this Show you have read and are aware of these rules/agreements and will abide by them.

C.28: No cow will be allowed in the judging ring which, in the opinion of the Supervisor, is unduly overstocked with milk.

C.29: In all Cattle Classes, should the exhibitor wish, the official milk record of dam will be recorded.

C.30: All Dairy Bulls, twelve months and over must be rung and have TWO LEADERS and be under adequate supervision.

C.31: Production Qualifications:

a) All cows, three years of age and over, must have been tested and have production records above the recognised standards for the various systems of testing.

b) All bulls must be from tested dams with production records above standard.

c) No records are necessary for maiden three year olds. C.32: Production Standards:

The standard of production required is the following minimum standard: Age at starting test Standard 305 day test

2 year olds 265 kg milk solids

3 year olds 295 kg

4 year olds 330 kg

Mature 360 kg

NOTE: It is not necessary for a cow to qualify in the season previous to the Show (unless specifically stated).

C.33: Judges in the All Breeds Dairy section shall judge all classes even if their breed is not represented in all classes.

C.34: The following practices are banned from the Dairy Cattle Section at all A&P Shows:

1. The administration of any drug to enhance the appearance of the animal.

2. The infusion of any substance to the mammary system to alter the outward appearance of the udder or milk veins.

3. The gluing, sealing or taping of teats or the use of artificial practices to affect the teat angle or teat placement.

4. Canterbury A&P Association reserve that right to conduct random milk or blood testing. These practices, in any form, will be considered an act of malpractice at A&P Shows with disqualification likely to result.
